

Margaret Conroy Hosts Legislative Updates for 2013

State Librarian Margaret Conroy will host Legislative Update videoconferences in February, March, and April. Catch up on the legislature's activity to stay current on topics of importance to the library community.

In addition to participating by interactive videoconference, streaming video via computer (without the interactive component) is provided as an option. To view the stream a software program like Windows Media Player or REALPlayer is required. To check whether the computer is capable of viewing the stream, go to <http://www.more.net/content/streamed-events> and click on the link "Click here to test your connection-MOREnet Event Examples". Wait for the event to download. If the player needs updating, links to newer Windows Media Players are on the page. When the recording runs, the computer is ready for the Legislative Update at this link:

<http://stream1.streaming.more.net/MSL>.

For problems seeing or hearing the recording please contact MOREnet Technical Support for assistance at 1-800-509-6673. During the Legislative Update session, send questions or comments about the discussion to Margaret.Conroy@sos.mo.gov.

The scheduled 1 to 3 p.m. videoconference sessions are available at the following sites:
